

Ongoing Schemes of ASDM

1. Placement Linked Skill Development Training Program (PLSDTP):

ASDM has initiated a State Sponsored Skill Development Training Program primarily aiming at training the youth of the state and offering them placements. The program is run on a Public Private Partnership (PPP) Model. Training Partners are empaneled by ASDM after evaluation of their credentials and proposal.

• Progress under PLSDTP:

Sl. No.	Particulars	Achievements
1	Total number of Training Partners empaneled	155
2	Total number of Training Centers	348
3	Total number of sectors under which target is allocated	31
4	Total number of job roles under which target is allocated	121

2. Pradhan Mantri Kaushal Vikas Yojana 2.0 (PMKVY 2.0):

Pradhan Mantri Kaushal Vikas Yojana 2.0 is one of the flagship program run by the Ministry of Skill Development & Entrepreneurship which was launched under the scheme of 'Skill India'. In the state of Assam the program is implemented by Assam Skill Development Mission. The objective of this program is to enable the youths to take up various industry relevant skill training which will help them secure a sustainable livelihood.

Sl. No.	Particulars	Achievements
1	Total number of Training Partners empaneled	32
2	Total number of Training Centers	68
3	Total Training target sanctioned	16850
4	Total number of sectors under which target is allocated	20
5	Total number of job roles under which target is allocated	40

3. Advanced Skill Training Institute:

Advance Skill Training Institutes (ASTI) are envisaged as sector specific Centres of skill training, set up in collaboration with industry partners or associations, to drive skill development, apprenticeship, incubation centres, Recognition of Prior Learning (RPL), setting up of Skill Training Institutes & entrepreneurship enablement. The industries may invest and set up state of the art centres to provide the candidates, with hands-on training, that are as per the industry standards. The Centres would target skill upgradation of the workforce which will make them ready for absorption in the industry.
